

Frame Lock - AXA Block XXL

SKU 3010001315

AXA Block XXL

The AXA Block XXL is a high quality frame lock and has the option to link the ULC plug in chain to the lock so you can lock your bike to a fixed object.

The ring lock offers optimal safety with its anti drilling cylinder and hardened steel bracket. The ergonomic design of the push button and the online key service offer you maximum comfort.

The AXA Block XXL has an extra wide opening to create more space for tire and mudguard.

Compatible with the models: E850, C500, C800, B400 (sizes M & L).
