

## Frame Lock Chain - AXA ULC 100

SKU	3010003741
EAN	5608554010404

### AXA ULC for AXA Frame Lock to double your e-bike protection!

The Frame Lock Chain from AXA makes it particularly easy to make your bicycle twice as secure: simply place the chain around a fixed object, pull the end with the lock through the ring on the chain and attach it to the lock housing. You will not need another key, nor will you need to lock the shackle separately.

**Compatible with BEEQ models with framelock installed.**
